INVITATION

The 6th International ALA and Porphyrin Symposium (IAPS6) will be held at Fukuroi city synthetic center on October 27 2018. This symposium will be hosted and chaired by Dr. Tohru Tanaka, Director and CTO, SBI Pharmaceuticals CO., LTD. The Advisory and Organizing Committee cordially invites you to attend the Symposium and participate in its scientific and social programs. The main theme of the Symposium will be on “The 30th anniversary of ALA research”. This Symposium will provide a forum in the science of ALA and Porphyrins and related compounds not only to present the recent studies but also to hold discussions on new perspectives in the 21st century. The Advisory and Organizing Committee hope to organize a symposium both instructive and memorable for researchers in various fields (medical science, chemistry, pharmacology, agricultural biology etc.) from around the world.
